Rockford VOTER

January 2012

CANDIDATE FORUM WITH A 'TWIST'

Candidates for the House and Senate in Springfield are invited to a forum focusing on education issues.

The Unitarian Church, along with Rockford Urban Ministries, and the League of Women Voters plan to hold a forum with a twist- it will focus only on education and will be organized in three segments. The first will be a panel of experts and stakeholders in education speaking about their concerns and experiences in education and focused primarily on the state's responsibilities, setting the stage for a more purposeful conversation with the candidates about their education policies and plans. The second segment will be a more traditional forum segment with a panel of community members asking the candidates questions, and the third segment will allow the audience to ask questions. We expect it to last 60-75 min. Because of the nature of those we hope will make up the two panels, we believe that this will be well attended.

Date: Tuesday, January 31

Time: 7:00 p.m.

Place: UU Church, 4848 Turner Street, Rockford

ENVIRONMENTAL ISSUES COMMITTEE

The Green Communities Coalition spoke with our committee on 11/29/11 at Katie's Cup. Alan Penticoff and Bob Lundstrom from the GCC and Dwayne Nelson from Solergy were the presenters. Dwayne owns Solergy which is a solar panel installation company. When asked about the delighting of Rockford they reported that the Sierra Club supports delighted communities stating the research does not support more crime as a result of fewer street lights. Ruth Wagner is the new president of the Green Communities Coalition. The GCC is partnering with RVC to reinvigorate Earth Day.

Ever heard of Green Drinks? Every month people who work in the environmental field meet up at informal sessions known as Green Drinks. There is a lively mixture of people from NGOs, academia, government and business. **Come along and you'll be made welcome. Just say, "are you green?" and we will look after you and introduce you to whoever is there. It's a great way of catching up with people you know and also for making new contacts. Everyone invites someone else along, so there's always a different crowd, making Green Drinks an organic, self-organizing network.**

The GCC is going to organize a GREEN DRINKS at Clock Tower on Jan. 19. Apparently Green Drinks is going on through out the world and now Rockford, IL will have GREEN DRINKS. The EIC is also reading The Third Industrial Revolution by Jeremy Rifkin.

INTERNATIONAL RELATIONS

International Relations will meet on January 20 at my home, 615 Sunrise Ln. at 9:30 a.m. Any Leaguers who would like to continue discussing The Arab Spring are welcome.

This is a topic of enduring importance and of special interest because LWVUS has a position on establishing democratic societies.

VOTER SERVICE COMMITTEE

Voter Service Update: Thursday, January 5, 2012, at 8:00 a.m. at the Stockholm Inn. Members will be finalizing dates for voter registration drives in early February to meet the voter registration deadline of February 21. Colleges, high schools, and Logli's and K-Mart sites will be considered plus other sites if there are enough volunteer Deputy Registrars.

It's not too late to be trained as a Deputy Registrar. If you live in the city, call the City Board of Elections, 815-987-5756, 301 South Sixth Street. If you live in Winnebago County, call the County Clerk's office, 815-319-4252, 404 Elm Street. Make an appointment to receive the training. It takes about ten minutes. Try to do this sometime in January. Any questions call Jeanne Claeys, 815-226-4642.

HEALTH COMMITTEE

January, 2012

The LWV Health Care Committee is hopeful that 2012 will be a time of action for Winnebago County Behavioral Health funding options. At our

January 19th meeting we expect to have the names of the Mental Health Advisory Committee, that was appointed by the Winnebago County Board Chairman. This committee will identify and assess current mental (behavioral) health services in its respective jurisdiction, monitor any expansion or contraction of such services, and, if deemed necessary, provide a report to the county with recommendations for additional services.

Because the dinner we had at the December meeting was not what was ordered, the Dietary Supervisor at P.A. Peterson Center for Health will provide us a meal for no cost at our January meeting.
